

**Full Anchor Systems  
product line with  
engineering, field  
support and training.**

For more than 55 years, Simpson Strong-Tie has focused on helping our customers succeed by providing innovative products, full-service engineering and field support, product testing and training, and on-time product delivery. Simpson Strong-Tie offers a full array of Anchor Systems products for residential, commercial, industrial and infrastructure construction. After more than 15 years of product development in the U.S., backed by ETAG approvals, the metric equivalent range is now available in Australia.

Let us show you how our Anchor Systems metric product offering can meet your project needs while demonstrating our commitment to being "In the Specs, On the Job, At Your Service." Contact your field engineer or rep by calling 02 9831 7700 or visiting our website [www.strongtie.com.au](http://www.strongtie.com.au).
