

# Simpson Strong-Tie Acrylic-Tie® adhesive is the one to use all year long!

**W**hether you are working in the heat of the summer or the bitter cold of winter, you don't want the anchoring adhesive you are using to slow you down. Acrylic-Tie is specially formulated to dispense easily and cure within a wide temperature range, meaning Acrylic-Tie works where you do. And since it is an adhesive anchor, AT gives you higher loads than typical expansion anchors without the expansion forces.

**IDEAL FOR HIGH LOAD APPLICATIONS**

**NO EXPANSION FORCES –**  
*Acrylic-Tie is perfect for close to the edge anchoring.*

## ACRYLIC-TIE HAS THE FEATURES YOU NEED:

- Dispenses easily at almost any temperature, even below freezing with no cartridge warming.
- Cures down to -18°C.
- Fast cure (1 hour) at temperatures above 16°C.
- High strength for structural applications.
- No load reduction for wet or damp holes.
- Great for applications with close spacing or edge distance.
- Complete test data and code reports *ICC-ES Evaluation Report # ER-5791*.

## ONE FORMULA DOES IT ALL!

Acrylic-Tie is ideal for anchoring and doweling into concrete, brick and concrete block. Can be used with threaded rod, rebar and smooth dowels.

# Acrylic-Tie® adhesive is available in the right size cartridge for your project!

**AT FAST-PAC**  
dispenses with a standard caulking tool!

**148ml FAST-PAC™ CARTRIDGE.**  
Ideal for smaller projects. AT Fast-Pac fits into a standard caulking tool. No dedicated dispensing tool to buy!

**236ml AND 384ml CARTRIDGES FOR SMALLER TO MEDIUM PROJECTS.**  
These cartridges offer maximum flexibility. Both are dispensed using the same Simpson Strong-Tie® dispensing tool.

**887ml CARTRIDGE FOR LARGER APPLICATIONS.**  
Dispensed using either a manual or pneumatic tool for maximum efficiency.

## ACRYLIC-TIE® CARTRIDGE SYSTEMS

Model No.	Capacity (ml)	Cartridge Type	Carton Qty.	Dispensing Tool(s)	Mixing Nozzle
ATPAC05KT	148	coaxial	12	Standard Caulking Tool	AMN813 (included)
AT08	236	side-by-side	10	ADT813	AMN813 (included)
AT13	384	side-by-side	10	ADT813	AMN813 (included)
AT30	887	side-by-side	5	ADT30 or ADT30P	EMN37 (sold separately)
